TURN THE NAME INTO THE BUSINESS

Your brand is the product.

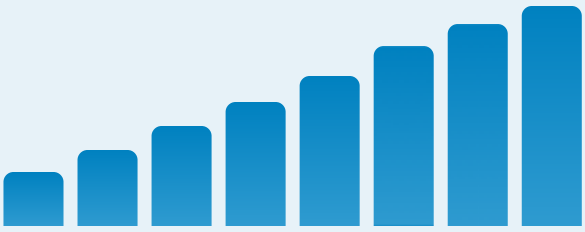

Right now the money is brand deals — **one-off, then gone**. The move is to put your name on **one platform you own** that people pay into every week, whether you post that day or not.

A BRAND DEAL

One big payment, **then nothing**. You're only ever as good as your next deal.

YOUR PLATFORM

Pays **every single week** — and climbs as it grows. Income that stacks.

PAID WEEKLY, NOT ONE-OFF

A brand deal pays once.
Your platform pays every week.

THE PLATFORM

ONE APP · THREE ELEMENTS · ALL BESPOKE

Three elements. One platform.

Built from scratch for you — **not rented software**. One login, your branding, and each element feeds the next.

ELEMENT 1

The Directory

Creators & models across every industry & location. Full profiles — socials, videos, photos, rates. Brands book them direct.

ELEMENT 2

The Community

A paid members' community & chat — the Patreon-style layer. Exclusive content and direct access to you.

ELEMENT 3

The Academy

Learn how to actually do social media — grow, get followers, get paid. Your name behind it.

HOW THE MACHINE TURNS — ONE FEEDS THE NEXT

Three income lines, one brand.

People come for you, join the community, learn in the academy, get listed and get booked — all under your name, bespoke-built and funded by us.

Not three products.
One brand — yours.

THE ENGINE — THE BIT PEOPLE WILL TALK ABOUT

Creators & models, booked direct.

Creators and models across every industry build a **full profile**. Brands, photographers, clubs and businesses search it by industry & location — and book them direct. Your name is the badge of trust.

WHO BOOKS THEM

Brands wanting UGC & faces · fashion & clothing labels · photographers · clubs, events & promoters · any business that needs talent — all searching your roster.

The recruitment engine

You post "I'm looking for creators & models who want to blow up." They apply, they list, they pay to be seen — and the best get **featured on your page**. Exposure to your 900K is something no agency can offer. It fills the directory for you.

Not a gatekeeper.
A launchpad — your name on the door.

WHY GROAI — AND THE DEAL

We build it bespoke. We fund it.

We build you **your own app** from scratch — you own the members, the data and the brand, pay no platform's cut, and our AI runs the matching and the heavy lifting.

YOU OWN IT

Bespoke, not rented

Your name, your app, your audience. No Patreon or agency tax skimming 10–40% off the top.

OUR EDGE

AI does the work

Matching bookers to talent, content, running the community and the ads — automated.

THE SPLIT — WHO DOES WHAT

GROAI

We carry it all

✓ Build the whole platform

✓ Fund it — the investment is ours

✓ Run the ads & the AI

✓ ~1% of the work

✓ £0 to pay upfront

In one line: we invest and build you a recurring-revenue business with your name on it, growing past £80k a week — you barely touch it, and you earn from what it makes.
