TURN THE NAME INTO THE BUSINESS

Your name
is the *asset*.

Right now the money is brand deals — **one-off, then gone**.
The move is to put your name on **one platform you own**
that pays in every week, whether you post that day or not.

~900K AUDIENCE FOLLOWING YOU	One name UNDER YOUR BRAND	Weekly RECURRING, NOT ONE-OFF
--	---	---

A brand deal
pays once.
Your platform
pays every week.

THE PLATFORM

ONE APP · THREE ELEMENTS · ALL BESPOKE

Three elements. One *platform*.

Built from scratch for you — not rented software. One login, your branding, and each element feeds the next.

01

The Directory

Creators & models across every industry & location. Full profiles — socials, video, photos, rates. Brands book them direct.

02

The Community

A paid members' community & chat — the membership layer. Exclusive content and direct access to you.

03

The Academy

Learn how to actually grow on social — followers, brand deals, income. Your name behind the teaching.

WHO BOOKS THEM

Brands wanting UGC & faces · fashion & clothing labels · photographers · clubs, events & promoters · any business that needs talent — all searching your roster.

The recruitment engine

You post "I'm looking for creators & models who want to blow up." They apply, list, and pay to be seen — and the best get **featured on your page**. Exposure to your 900K is something no agency can offer. It fills the directory for you.

Not a gatekeeper. A launchpad —
with your name on the door.

WHY GROAI — AND THE DEAL

We build it. We *fund* it.

We build you **your own app** from scratch — you own the members, the data and the brand, pay no platform's cut, and our AI runs the matching and the heavy lifting.

GROAI

We carry it all

- Build the whole platform
- Fund the build — the investment is ours
- Run the tech & the AI
- Operate it day to day

YOU

Just the face

- Lend your name & brand
- Promote it to your audience
- ~1% of the work
- £0 to pay upfront

A recurring-
revenue
business
with your
name on it —
you barely
touch it.
